## **For Reflection & Discussion**

2. What are the exhortations (cautions) in this passage and where do you find them?
3. What Comparisons do you find in this passage with Matthew 24:1-44 and Mark 13? Why?
4. Jesus says "this generation shall not pass away until all these things are fulfilled" (vs 32) What generation do you think He is referring to?
5. What assurances does Jesus offer in light of these predictions?

## **Prayer Prompts:**

Thank you Jesus that our redemption is certain.

Help me Lord to live presently, with the future in mind.

Spirit of God show me and teach me how to watch and pray for Jesus' return.
